Day 1: Sunday

We’ll meet you at Los Cabos International Airport and bring you to La Paz for our early afternoon embarkation. After touring your stateroom, you’ll get an introduction to the ship and a safety briefing, and we’ll be ready to embark. From La Paz, we’ll cruise until we drop anchor in a prime location for swimming with whale sharks. We’ll enjoy an incredible dinner en route to Playa Balandra, where you can watch the sunset, swim, kayak or go ashore.

Day 2: Monday

Wake to a fresh breakfast before exploring Playa Balandra, where you can beachcomb, hike, snorkel, or try stand-up paddle boarding (SUP). We’ll return to the ship for lunch, then cruise to Isla Espiritu Santo and its stunningly clear waters. You can walk the white sands of Ensenada Grande, ranked one of the world’s top 12 beaches, wonder at the stark beauty of Caleta Candelerero or hike to a freshwater spring. Or, take one of our four tenders to Los Islotes, where you can swim with sea lions.

Day 3: Tuesday

After breakfast, choose your direction—and your adventure. Go north for Isla San Francisquito and Isla San Jose, where you can kayak the mangrove-lined waterways, and put down the day's first footprints on a remote beach. Or head south, for a thrilling day of trophy fishing off Isla Cerralvo—Jacques Cousteau island—waters renowned for marlin, swordfish and other prize catches.

Day 4: Wednesday

This morning, pursue dorado, yellowtail, golden grouper and other local game fish, or set off to sight the many whales and dolphins inhabiting these waters. Following lunch, your options span a range of activities on both land and sea—do everything, or nothing at all. At day's end, we'll gather around a campfire on the beach for dinner, followed by fresh-made desserts and cocktails under a star-strewn sky.

Day 5: Thursday

Cruising further south, we'll skirt the rugged coast off Punta Arena, sighting its signature lighthouse and small town of Los Barriles, where our tenders can ferry you to amazing beaches and nearly limitless options for land and water fun. The area is also prime roosterfish habitat—considered among the world's most unique and exciting gamefish, which can reach 100 lbs. of muscle and bad attitude.

Days 6-7: Friday & Saturday

We'll set off on *Pacific Provider* early, spending the day exploring Cabo Pulmo, a protected marine reserve where you can snorkel or dive the spectacular 20,000-year-old reef, or find smaller wonders in the many tide pools ashore. That evening, over cocktails and fish tales, we'll enjoy a slideshow of our week's activities—adventures shared with new friends. After a last shipboard breakfast on Saturday morning, we'll pass the famous El Arco (The Arch) at Land's End, as we cruise back to Cabo San Lucas, where we'll be met by your airport transfer for your flight home.
